**PETITION FOR MODIFICATION
OF SECRECY ORDER
UNDER 37 CFR § 5.5(c)**

Mail Stop L&R
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir/Madam:

Petition is hereby made for modification of the Secrecy Orders imposed by the Air Force on United States Patent Application No. 10/784,482, filed February 19, 2004, and on corresponding International Patent Application No. PCT/US2005/004893, filed under the Patent Cooperation Treaty with international filing date February 16, 2005, claiming benefit of the filing date of the United States application under the Paris Convention. By this petition, Petitioner seeks to modify the Secrecy Orders to permit foreign filing in Japan, Germany, France and the United Kingdom, using the European Patent Office for Germany, France, and the U.K.

The United States and PCT applications are identical in content. The PCT application was filed prior to the issuance of the Secrecy Order on the United States application.

If this petition is granted, Petitioner proposes to consign this application to the following attorneys for lodging the application in the respective patent offices:

Japan: HASE INTERNATIONAL PATENT OFFICE
 Origin Nishiki Bldg. 9th Floor
 6-17, Nishiki 1-chome
 Naka-ku, Nagoya
 JAPAN

Europe (for J.A. KEMP & CO.
Germany, France,
and the U.K. only) 14 South Square, Gray's Inn
 London WC1R 5JJ
 ENGLAND

Both of these firms have represented clients of the undersigned on numerous matters for greater than ten years, and on the basis of this experience and extended business relationship, the undersigned hereby vouches for the integrity of both of these firms toward the clients of the undersigned and to the firm of Townsend and Townsend and Crew LLP and for the loyalty of these firms to the United States. The security clearance of these firms is not currently known to the undersigned.

If either of the firms listed above is not acceptable to the Licensing and Review Section, Petitioner will be happy to consign the applications to firms of the Section's choosing. Please advise.

Since to Petitioner's understanding, the PCT application has not yet been sent to the International Bureau, and the one-year period for filing the application directly in Japan and the European Patent Office under the Paris Convention has passed, it may be necessary to file the

application in Japan and the European Patent Office on a non-convention basis, in which case the benefit of the United States filing date may be lost. Accordingly, urgent action in this petition is respectfully requested. If any further submissions are required to support this Petition, the Licensing and Review Section is requested to inform the undersigned by telephone at 415-576-0200.

Respectfully submitted,

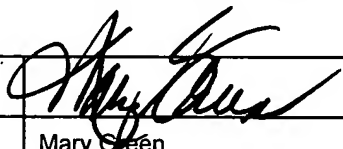

M. Henry Heines
